

**List of designated vessels subject to assets freeze pursuant to paragraphs 8(d) of Security Council resolution [1718 \(2006\)](#) and 12 of Security Council resolution [2270 \(2016\)](#) as economic resources of designated entities**

The Security Council, in paragraph 8(d) of resolution [1718 \(2006\)](#), decided that all Member States must, in accordance with their respective legal processes, **freeze immediately** the funds, other financial assets and economic resources which are on their territories that are owned or controlled, directly or indirectly, by the persons or entities designated by the Committee or by the Security Council, or by persons or entities acting on their behalf or at their direction, and ensure that any funds, financial assets or economic resources are prevented from being made available by their nationals or by any persons or entities. In paragraph 12 of resolution [2270 \(2016\)](#), the Security Council affirmed that “economic resources,” as referred to above, includes assets of every kind, which potentially may be used to obtain funds, goods, or services, such as **vessels** (including maritime vessels).
